PAGPS offerings are designed for mental health professionals and deal with topics that are usually underrepresented in graduate training programs and/or that provide additional, advanced, and newly emerging perspectives on group therapy theory, research, and practice. This program is intended for mental health professionals at a post-graduate level. This program, when attended in its entirety, is available for 1 continuing education credit. The Philadelphia Area Group Psychotherapy Society (PAGPS) is approved by the American Psychological Association to sponsor continuing education for psychologists. PAGPS maintains responsibility for this program and its content. PAGPS is also approved by the PA State Board of Social Workers, Marriage & Family Therapists & Professional Counselors to offer continuing education for social workers, marriage & family therapists, and professional counselors. This program carries 1 CE credit.
